

A tall palm tree with a dense, rounded canopy of green and brown fronds stands against a clear, bright blue sky. The tree's trunk is a solid, dark brown, extending from the bottom center towards the middle of the frame. The fronds are layered, with some showing a yellowish-brown hue, suggesting they might be older or have been exposed to sun or wind. The sky is a uniform, vibrant blue with a few very faint, wispy clouds near the horizon.
